

Smart Growth Technical Session I: LOS Methodologies: Barrier to Infill?

ABAG Conference Room B, 101 Eighth Street, Oakland
8:45 a.m. – 12:00 p.m., Friday, November 14, 2003

AGENDA

- | | |
|---|----------------------|
| 1. Coffee & Refreshments | 8:45 – 9:00 |
| 2. Introductions & Agenda Overview
Alex Amoroso, Smart Growth Project Manager, will provide background information, an overview of the session format, and explain the ground rules for discussion. | 9:00 – 9:10 |
| 3. Guest Presentations
Presenters will talk about the relationship between CEQA and LOS, and discuss LOS methodologies. Each presentation will be followed by a brief question and answer period. The presentations are intended to lay the groundwork for “Key Questions” and “Proposals” later on the agenda. | 9:10 – 10:10 |
| a. Rebecca Kohlstrand, EnviroTrans Solutions
CEQA-LOS relationship and current CEQA Guidelines for LOS. | 9:10 – 9:20 |
| b. Q & A | 9:20 – 9:30 |
| c. James Daisa, Kimley-Horn and Associates
CEQA issues surrounding TOD and barriers to multi-modal LOS analysis. | 9:30 – 9:40 |
| d. Q & A | 9:40 – 9:50 |
| e. Tilly Chang, SFCTA
CEQA-LOS measures in San Francisco. | 9:50 – 10:00 |
| f. Q & A | 10:00 – 10:10 |
| 3. Break (Coffee & Refreshments) | 10:10 – 10:20 |
| 4. Discussion of Key Questions*
See attached Policy Capsule for Key Questions. | 10:20 – 11:10 |
| 5. Discussion of Proposals
This discussion is intended to crystallize the prior discussions into concrete action plans or policy recommendations. | 11:10 – 11:45 |
| 6. Summary and Closing Remarks | 11:45 – 12:00 |
